The Meadows Course

Catterton Memorial Golf Tournament

The Meadows Course, originally constructed in 1924 by Seth Raynor, was redesigned by Jack Nicklaus in 1977. The Greenbrier is the only resort course in the world to have hosted The Ryder Cup (1979) and The Solheim Cup (1994). This 6,675-yard, par 72 course is heavily wooded and demands forced carries onto the greens. The well-bunkered and terraced greens require accurate iron play and talent with the putter. The Meadows Course begins and ends at The Golf Club. The tournament will begin with a shotgun start at 12:30 pm and foursomes will be prearranged. Everyone is invited to the clubhouse porch at 4:30 for a 10th hole reception and golf awards.

Separate Registration Fee

Monday, September 26 1:00pm

Horseback Ride

Explore various corners of The Greenbrier property on the back of a beautiful horse, trained to handle riders of all experience levels. Stay on the paved paths that surround the main resort property, or head to the woods for a more adventurous ride. Our experts will ensure a safe and memorable experience. Riding is English style using English saddles. Riding helmets are provided for guests and required to be worn at all times while riding. A liability waiver must be signed at Kate's Mountain Adventures by guests age 18 and older. Long pants and closed toe-shoes are suggested. Rides depart from Kates Mountain Adventures located at the North Entrance.

Participants exit the course by their choice of a slow belayed decent or our free fall device for the ultimate rush. The Aerial Adventure Course is located less than 10 minutes from The Greenbrier. Transportation departs from Greenbrier Outfitters located next to the Outdoor Pool.
