VPCMA Annual Membership Directory Coming Soon

The 2022 VPCMA Membership Directory will soon be on its way. With the supply shortage for the paper, binding, and other materials our vendor uses for printing combined with the delays we are still seeing with the United States Postal Service, we have unfortunately had a delay in getting these shipped to you. Be on the look for it a little later this month. We send one copy per company, but additional copies are available for purchase at \$15 each while supplies last.
