74th Annual Meeting Recap and Pictures

It was beautiful fall weather this past week at the Greenbrier during the association's 74th Annual Meeting. Congratulations again to Bob Claytor on winning our most esteemed award, the Virginia Oil Man of the Year. - The association may now contract for an financial annual audit **or a review**.

VPCMA 75th Anniversary Celebration March 18-22 at the SLS Baha Mar, Nassau

Every five years VPCMA hosts a Spring convention and next year will be special as we celebrate 75 year of service to the industry. The meeting will be held at the [SLS Baha Mar](#) resort in Nassau Bahamas. This will be the perfect opportunity to network with industry colleagues, attend education sessions, and escape from the last days of winter. We hope to have registration open soon, as this trip would make a wonderful Christmas gift on the occasion of our 75th Anniversary. We've procured a room rate of \$389, but space will be limited so stay tuned for the opening of that registration towards the end of the year.

Transportation Waiver

Following is the VDOT weight and hours of service waiver for transportation during the aftermath of Hurricane Ike. This waiver will remain in effect 14 days. A copy, [found here](#), should be in all trucks for the duration of the waiver
