Mark Anderson - 2024 Virginia Energy Marketer Hall of Fame Honoree

Mark Anderson of Anderson Oil received the industry's highest award when he was inducted into the Virginia Energy Marketer Hall of Fame on Sunday at the association's Annual Meeting at the Greenbrier. Mr. Anderson is the first *current* chairman in association history to be so honored, and he joins 45 previous inductees into the Virginia Energy Marketer Hall of Fame.

The presentation was made by the 2023 recipient Corey Russell of Supreme Petroleum and Holiday Ice. In his introduction he stated the following:

"Tonight's honoree is someone who has always been there supporting the association, whether it be at the capitol or overseeing the association's three core objectives of advocacy, education, and networking. He is a lifelong oilman, PM father, husband, and friend of so many."

Congratulations Mark Anderson!
