Rooms Going Fast for 70th Anniversary Celebration

April 20-23, 2018

As we announced earlier this month, we will be holding a special 70th Anniversary Celebration at one of America's leading resorts: the Ocean Reef Club in Key Largo, Florida. We will begin with a

gala opening reception on Friday April 20th. On Saturday we will have the business session featuring PMAA President Rob Underwood and an update on the recent legislative session. The rest of Friday and Saturday will be open to explore the tremendous recreational opportunities offered at the resort. Sunday evening will feature cocktails on the beach followed by the anniversary dinner.

Rooms are going fast and more than half of our block of rooms is already reserved.

2018 Membership Directories On the Way

Members will receive their 2018 Membership Directory in the mail shortly. Inside of the directory, readers will find updated information on fellow members, associate members and suppliers. Special thanks go to our many advertisers who help us defray the costs of publication. We have a limited number of extras available for purchase, however the directory is also available electronically upon request.
