## **I-81 Gas Tax Passes Senate 22-14**

### ***7.6 cpg Increase Will Take Effect July 1, 2019 in 26 Counties and 13 Independent Cities***

Combined with the affirmative vote in the House of Delegates earlier today, this means that the new tax will take effect on July 1 of this year with the first remission due to the state by September 20th. In the coming days we will be working with DMV to develop a plan to educate the membership on the changes and to help assure a smooth transition to this new policy. More to come on that in the coming days.

The successful amendments can be [found here](#).
