Nominations Being Accepted for Oil Man of the Year, Distinguished Service Awards

We are presently accepting nominations for two awards to be presented on September 30

during the Annual Meeting at the Greenbrier.

The Distinguished Service Award is presented to a company or individual who has provided outstanding support to the mission and goals of the association.

The Oilman of the Year Award is the Association's highest honor. It has been presented to 38 Virginians since 1980 and is named after the late Carroll Willingham, a longtime Marathon Petroleum employee and supporter of the association. Nominees must be an active petroleum marketer and a Virginia resident.
