## Special Claim Procedures for 2017 Biodiesel Blender Credit

*From PMAA*

Just a reminder that the period for filing the special one-time refund of the \$1.00 per gallon biodiesel blenders tax credit claims (IRS Notice 2018-21) ends on September 29, 2018. The credit was reinstated by Congress retroactively for calendar year 2017 under the Bipartisan Budget Act of 2018. While the biodiesel blender credit was not reauthorized for 2018, PMAA continues to lobby for reauthorization for calendar year 2018 and beyond. IRS Notice 2018-21 also sets forth procedures to make one-time retroactive claims for the alternative fuel credit and the alternative fuel mixture credits earned during calendar year 2017.
