### **Last Chance to Register for Tomorrow's Virtual Meeting on Transportation Climate Initiative and Upcoming Elections**

Tomorrow, October 28, at 11:00 am VPCMA will host our first association wide virtual meeting via Zoom. This event will feature two parts: an update on activity for the 2021 General Assembly, where some (including BP and Shell) may push a plan to ration, tax, and eventually prohibit the use of gasoline, diesel and propane in Virginia within 10 years. We will provide a summary of their plans and ask for the assistance of every member to fight this ill-conceived notion which threatens the livelihoods of you and your suppliers. The second half of the program will feature Virginia's leading political pundit, Dr. Bob Holsworth, discussing the presidential campaign in Virginia and nationally just six days before election day. Bob has been with us before the last four presidential elections and is one of our most requested speakers. He will also discuss the upcoming 2021 race for governor in the Commonwealth and Virginia politics in general. There is no charge to participate in this meeting, which is brought to you by our **industry partners**. However, registration is required to assure that we have sufficient space on Zoom for all who wish to attend. Registration details are listed below. All participants will be entered to win prizes including a Dicks Sporting Goods gift card, 2 night stay at the Marriott Virginia Beach, or Annual Meeting Registration at Virginia Beach for 2021.

**You are invited to a Zoom meeting.**

**When: Oct 28, 2020 11:00 AM Eastern Time (US and Canada)**

**Register in advance for this meeting:**
