Governor Extends Weights and Hours Waivers Until November 1

In light of continuing supply issues resulting from the Colonial Pipeline breach, Governor McAuliffe has extended Virginia waivers for hours of service and weights until November 1. The weight waiver is attached [here](#). The September 16, hours waiver (now extended to November 1) can be [found here](#). Please make sure that the waivers are in your trucks for the duration, and note that the extension also applies to the state's price gouging law.
